ADMISSION, PROGRESSION, AND GRADUATION REQUIREMENTS, if applicable:

Admission requirements

Students must apply and be formally accepted to the Communication Sciences and Disorders Undergraduate Program. The following must be completed prior to date of COMD Undergraduate program application:

1. Students must take MATH 2334 and complete the course with a 'C' or higher. No substitutions allowed.
2. Students must take three science courses: BIOL 1406 and 1407 (or BIOL 1487 and BIOL 1488) or BIOL 2401 and 2402, and either one Physics course with lab OR one Chemistry course with lab. These courses must be completed with a 'C' or higher. No substitutions allowed.
3. Students must lack no more than six courses from the following areas: General Education Core, Electives, or Supplemental. The MATH 2334 and the three science courses cannot be included as part of the six courses lacking at the time of the application. MATH 1314 is a prerequisite for MATH 2334.
4. Students must have a minimum GPA of 2.8. Admittance is competitive.

Progression requirements

Once formally accepted to the COMD Undergraduate program, students must follow the required COMD Major course block sequence.

A 'C' or higher is required in the COMD Major courses. If a student drops a course or receives a 'D' or 'F' in any of the COMD Major course(s), the student will not progress in the COMD Major course block sequence until the student re-enrolls in the course(s) the next time the course(s) is offered. A grade of 'C' or higher is required.

If a 'D' or 'F' is earned in a course in the following supplemental courses: COMD 1310, COMD 1320, PHIL 2330, SOCI 1301, HRPT 2303, and REHS 3320, the student will be allowed to proceed in the COMD Major course block sequence, however, must retake the supplemental course in which a 'D' or 'F' was earned the next time it is offered. A 'C' or higher is required.

Graduation requirements

1. Students must earn a 'C' or higher in the COMD Major courses and supplemental courses.
2. In addition to the graduation requirements listed in the UTRGV 2015-2017 Undergraduate Catalog, demonstration of proficiency in a language other than English is required at the undergraduate level equivalent to a minimum of six credit hours. Proficiency can be demonstrated by a college credit exam, a placement test approved through the UTRGV Department of Writing and Language Studies, and/or up to six credit hours of college-level language coursework.
