

(Focus: 4TH – 8TH or 7TH – 12TH Grade Teacher Certification)

The English degrees at the University of Texas Rio Grande Valley, which include the BA in English, MA in English, MA in English as a Second Language, and MA in Interdisciplinary Studies, cultivate in students scholarly and creative achievement through graduate and undergraduate courses in literature, language, rhetoric and composition, creative writing, and secondary English language arts. We promote student literacy – specifically the abilities to read, write, and think critically – as well as an appreciation for the English language. We encourage faculty to pursue excellence in teaching, foster collegiality, contribute scholarly research, and engage in service to the university and Rio Grande Valley community. The English degrees, as a collaboration among the Department of Literatures and Cultural Studies, the Department of Writing and Language Studies, and the Creative Writing Program in the College of Fine Arts, support culturally responsive pedagogy and community engagement. A student with an English major possesses skills in critical thinking, writing, and reading. English majors can enter professions such as teaching, writing, editing, media production, the law, public service, and advocacy, and they are prepared for continued graduate or professional study.
