

*The 24 hour Minor in French Teaching, Translation, and Culture expects students to develop proficiency in French by focusing on the four skills of reading, writing, listening and speaking. Content area courses serve to improve language, while broadening cultural knowledge of French and Francophone history, art, and literature. Advanced courses in language, literature, and culture as well as translation are designed to prepare students for careers in teaching and translation. Congruent with UTRGV's mission statement, the program also encourages students to become more effective participants in the global community of the twenty-first century by fostering not only fluency in French, but also critical and creative thinking skills and a flexibility of the mind.*
