

**Degree Type – Bachelor of Arts (BA)**  
**Degree Title – Political Science**

*The concepts, skills, and knowledge acquired as part of a Bachelor of Arts in Political Science degree can lead to many diverse career fields, including but not limited to civil service, teaching, law, policy consultant, journalism, non-profit sector management, Foreign Service, politics, and government. Acquired skills include oral, written, and technological communication, critical thinking and problem solving, and quantitative and qualitative analysis. A degree in political science can lead to a Master of Arts and Ph.D. degrees. The Department of Political Science has divided the discipline into six fields:*

1. *U.S. Government & Politics*
2. *Comparative Government & Politics*
3. *International Relations*
4. *Political Theory*
5. *Public Policy & Political Behavior*
6. *Research Methods*

*To achieve these goals, a student must earn 120 Credit Hours at the University of Texas – Rio Grande Valley. These 120 Credit Hours consist of courses in the General Education Core (Part A: 42 Credit Hours), the Major Requirement (Part B: 36 Credit Hours), and Free Electives (Part C: 42 Credit Hours). To earn a Bachelor of Arts in Political Science students must earn a minor and/or second major in a different discipline.*

**STUDENT LEARNING OUTCOMES:**

1. **To comprehend the origins and evolution of U.S. and Texas political systems, with a focus on the growth of political institutions, the constitutions of the U.S. and Texas, federalism, civil liberties, and civil and human rights.**
2. **To recognize and assume their responsibility as a citizen in a democratic society by learning to think for themselves, by engaging in public discourse, and by obtaining information through the news media and other appropriate information sources about politics and public policy.**
3. **To examine social institutions and processes across a range of historical periods, social structures, and cultures.**
4. **To develop and communicate alternative explanations or solutions for contemporary social issues.**
5. **To analyze the effects of historical, social, political, economic, cultural, and global forces on the area under study.**
