CLOTHING & EQUIPMENT

Bring a swimsuit, goggles, and a towel. The best swimsuits are the competitive style. Bring swim diaper for WaterBaby sessions. UT Rio Grande Valley and its employees will not be responsible for any lost or stolen items.

**Please Note: We have the right to revoke the registration of any child who consistently disrupts normal program activities. While this is a rare occurrence, it is important to note that consistent disruptions diminish the experience of the other children. Misuse or damage of university property may result in dismissal. No refund will be made if a child is dismissed from the program. Charges will be assessed against participants responsible for damaged or missing university equipment or property.*

DROP-OFF

Program participants should arrive at the start of a swim session. Please do not park on the road in front of the UREC facility to drop off children. It is unsafe. We recommend that parents/guardians park in the student parking lot located east of the facility and walk their child(ren) into the pool area. On the first day of the program, we recommend that parents/guardians meet with the coaches/instructors

Parents/guardians must sign out each child at the end of each session.
