

Intern Spotlight:

Meet Jaime!

Name: Jaime Cabriaes Carlos

Major: Computer Science

College: College of Engineering & Computer Science

Micro-Internship:

Closet Keeps, *Web and Marketing Intern*

How did you obtain your internship?

I obtained this internship through Parker Dewey, which is a platform where recently graduated college students demonstrate their skills through Micro-Internships.

What did you do during your internship? What were your responsibilities/duties?

My responsibilities entailed, collaborating with my employer to efficiently redesign their website to be brand coherent, create short form social media videos and edit product photos. This allowed me to utilize the skills that I developed while pursuing my Bachelor's degree in Computer Science.

What was the exciting aspect of your internship?

The most exciting aspect was working with a small business and learning the many factors that contribute to developing a successful business.

What recommendations do you have for other students about doing an internship?

I would recommend for other students to communicate as much as possible with their employer and try to gain as much knowledge and experience as possible.

How has the Career Center supported you in your career development?

The Career Center has supported my career development in many ways, from providing professional clothing for an interview to resources for internships and more.
