

## **ANIMAL RESEARCH OCCUPATIONAL HEALTH AND SAFETY ONLINE TRAINING INSTRUCTIONS**

The department of Environmental Health, Safety and Risk Management provides **Animal Research Occupational Health and Safety Training** online through Blackboard.

Instructions to complete the UTRGV Animal Research Occupational Health and Safety Training:

1. Log on to [myUTRGV](#).
2. Click on the Blackboard icon.
3. Select the organization Environmental Health, Safety and Risk Management-2024.
  - a. If the EHSRM link does not appear, you will need to self-enroll into the EHSRM 2024 organization page.
4. Click on **Animal Research Occupational Health and Safety Training** on the left-hand side of the training page (blue and white menu).
5. View the presentation entitled **Animal Research Occupational Health and Safety Presentation**.
6. Take the corresponding **Animal Research OHS Training for Quiz** until you have earned an **80%** or better.

**Note: Do not use a cell phone or tablet to complete this online training. Make sure you have a secure internet connection when viewing the material. Ensure that your browser (Google Chrome, Firefox, etc.) is the latest version and that your browser history has been recently cleared.**

---

### **How to Self-Enroll**

1. Locate the Organization Search Box on your Blackboard homepage (right-hand side of screen)
2. Type in "Environmental" (ensure spelling is correct) and press "Go"
3. Enroll in 2024 version (hover mouse cursor over **EHSRM 2024** to see drop down arrow and click on the drop down arrow and then click enroll) and then press the "submit" button

Problem Solving Suggestions:

1. Check to make sure you are using the Organization search box and not the Course search box.
2. Check to make sure that you are searching for the word "environmental" as the search engine is picky.
