Animal Handling and Procedural Training

Before you initiate a study we would like to ensure that you, your employees and your animals are as comfortable as possible with the work they are involved in.

For training or reviews of proper handling, acclimation, dosing, surgical preparation and basic surgical techniques, please contact us to schedule training (956) 665-2067.

Self-familiarization on-line:

- [CITI Program-required by the IACUC](#)
- [The AVMA Guidelines for the Euthanasia of Animals](#)
- [Guidelines for Rodent Survival Surgery](#)
- [Guidelines for Training in Surgical Research with Animals](#)
