

The University of Texas - Pan American

Graduating Student Survey 2008-2009

College of Health Sciences and Human
Services

Prepared by
The Office of Institutional Research & Effectiveness
August 2009

College of Health Sciences and Human Services

Table of Contents

Respondent Count and Participation Rates by Graduate & Undergraduate Status

Respondents by Department and Graduate & Undergraduate Status	3
Invitations sent to Prospective Graduates by Department and Graduate & Undergraduate Status	3
Participation Rate by Department and Graduate & Undergraduate Status	3

Respondent Demographic Summary

Anticipated Year of Completion	4
Gender	4
Marital Status	4
What has been your primary EMPLOYMENT status?	4
What has been your primary ENROLLMENT status?	4

Education History

What is your father's/guardian's highest educational achievement?	5
What is your mother's/guardian's highest educational achievement?	5
Are you a first generation College Student?	5
Average Age on Anticipated Graduation Date	5

Most Likely Activity After Graduation

6

Employment after Graduation

After graduation, do you have a job related to your major?	7
What will be your salary range?	7
Estimated Graduate Salary	7
After graduation, do you have a job related to your major? (Employed only)	8
Did any of these events or activities contribute to your obtaining the position?	8

After Graduation Employment Location

Employment Location in state	9
Non Texas State of Employment	9
Non USA Country of Employment	9

Plans for Graduate School

Are you planning to attend graduate school?	10
What degree will you be seeking?	10
What will be your field of study?	10
Which School is your 1st Choice for Graduate School?	11
Other Schools from 1st Choice	11
Which School is your 2nd Choice for Graduate School?	12
Other Schools from 2nd Choice	12
Graduated School 1st and 2nd Choice Combined	13

Attendance at UTPA

How important were the following factors in your decision to attend UTPA?	14
---	----

Factors

Location	14
Cost	14
Majors offered at UTPA	14
Availability of scholarship or financial aid	15
Family influence	15
Academic reputation of UTPA	15
Advice of High School personnel	15
To be with friends	15
Did you attend a different university or college prior to attending UTPA?	16

College of Health Sciences and Human Services Table of Contents

College Experience

If you could start over, would you still go to college?	17
How satisfied are you with your overall experience at UTPA?	17
Would you be willing to participate in an alumni survey conducted by the Office of Institutional Research and Effectiveness in the future?	17

Lifetime Educational Goal

What was your lifetime educational goal when you came to UTPA?	18
What is your lifetime educational goal now?	18
Change in Personal Educational Goal	18
Did you attend a different university or college prior to attending UTPA?	18

The University's General Education Objectives

General Education Objectives	19
------------------------------------	----

Change in Major

Was your graduating major your major when you enrolled?	22
Was your graduating major your major when you enrolled? (By Department)	22

Satisfaction with factors related to major

The accessibility of faculty in your major	23
The quality of teaching in your major	24
Academic advising in your major	25
Faculty concern for your academic progress	26
Writing preparation in your major	27
Access to classes in your major	28
Career preparation and guidance	29
The accessibility of the dean and chairs	30
Your overall experience in your major	31

Junior/Senior Academic Advisement Services with your Faculty Advisor / Major Department

Participation in Service	32
Statements of Evaluation	
1) In general, the advisors were helpful.	33
2) In general, the advisors were knowledgeable.	33
3) In general, the advisors had a good attitude toward students.	34
4) Advisors were available during posted office hours.	34
5) Sufficient time was available during advising sessions.	35
6) Advisor was knowledgeable of academic policy information.	35
7) Advisor explained academic policies in a manner which I could understand.	36
8) The assistance I received was very useful for setting my EDUCATIONAL goals.	36
9) The assistance I received was very useful for better understanding my MAJOR choice.	37
10) The assistance I received was very useful for better understanding CAREERS associated with my major.	37
Overall Quality of Service	37
Overall Level of Satisfaction	37
