You can drop a class up until the Census Date. The Fall 2015 Census Date is Wednesday, September 16th.

**Q: How can I request an official transcript?**
To request a UTPA transcript, fill out the Transcript Request Form available online at www.utpa.edu/registrar or click here. **Q: Are “Program of Study” and “Major” the same thing?**
Yes, they are the same thing.

**Q: Why does my program of study reflect a program other than the one I submitted on my UTRGV application?**
Student data was automatically uploaded into the UTRGV student information system. In some cases, the conversion was complicated and requires additional manual work. We are making adjustments so that your original program of study will reflect as a UTRGV program.

**Q: When I'm being blocked from registration, it directs me to a page where multiple blocks/holds are shown. Who should I contact regarding the holds?**
We understand some students may expect to see a block or hold message paired with the information of whom to contact to remove it. Detailed hold information can be found on ASSIST by selecting “View Holds” on the student information menu.

**Q: Why is my student classification/academic standing different than the classification/academic standing I had while attending UTB or UTPA?**
This issue is resolved. If you notice a discrepancy in your academic standing, please contact us at registrar@utrgv.edu.

**Q: Why can't I register for classes for which I already have completed the prerequisites?**
Your course information may still be in the migration process as we continue to update records in the UTRGV student information system. If you have questions, please contact us at registrar@utrgv.edu. Include your ID number.
and a brief description of the situation. Please be aware that you will not be allowed to take a course if you have not successfully completed the prerequisites.

Q: Do I have to change my current program of study to a UTRGV program of study?
No. At this time, you need to follow the program of study you declared when you initially enrolled. If you are a UTB or UTPA student continuing at UTRGV, you will have through 2019 to complete your existing degree plans. For a Crosswalk Guide, General Education Core Equivalents, and a Course Equivalency guide please visit the following website: http://www.utrgv.edu/en-us/academics/utb-utpa-current-students.

Q: When registering, how can I determine which lab sections are linked to my selected lecture section?
Within the registration system, you can select a lecture section and find its lab sections listed in the comments.

Q: Why is the name on my UTRGV profile different from the name on my UTPA or UTB profile?
During the automatic system conversion process, some students with multiple names or name changes in their profiles may notice a previous name on their profile. We've identified these students and are working to update their records so it reflects the latest name on file.

Q: In the case where a lecture and lab are linked and I already have received credit for one, can I register for the other at UTRGV?
No. Sessions are linked as one course at UTRGV, and you must register for both the lab and lecture courses together. If you would like to take only one or the other, you must request and receive written permission from the department.

Q: What will happen to my GPA once I start taking UTRGV courses?
The UTRGV GPA will be calculated using coursework completed at UTRGV. Students continuing from UTB and UTPA will have their previous coursework from UTB and UTPA only counted in their UTRGV GPA.

FINANCIAL AID FAQs

To pay online, log into your ASSIST account using Internet Explorer, click on “Student Services”, “Student Account”, and “Make a Payment”. Ensure you indicate the correct type of credit card you are using for the transaction by selecting the appropriate icon on the top of the page.

If you choose to pay in person, we accept all major credit and debit cards, except for American Express.

Q: Can I submit financial aid documents via email?
Yes! You can submit your financial aid documents via email to finaid@utrgv.edu only if the documents include your student ID number and are sent from your UTRGV student email account. We are currently processing a high volume of documents, so submitting documents online may take 3-5 business days longer than submitting documents in person or via fax. You can submit financial aid documents via fax to (956) 665-2687.

Q: How long does the financial aid document verification process take?
Since we are currently processing a large volume of documents, it can take anywhere from 1-2 weeks. You

Q: Will there be a tuition cap for UTRGV?  
Yes. Tuition and mandatory fee charges at UTRGV are capped for resident students at 12 credit hours each semester. In other words, taking 15 or 18 hours a semester (or more) will cost the same as taking 12 hours. Charges for non-resident students are also capped at 12 credit hours except for non-resident statutory tuition rates which are required to be charged, by state statute, for each hour enrolled. The 12-hour cap does not apply to lab and supplemental instruction fees which are required by statute. In addition, the cap does not apply to tuition surcharges for repeated and excessive credit hours.

If you are unable to reenroll in your courses, please come to U Central for assistance.

Q: Is there a fee for emergency loans?

From the date listed on your bill, it takes 24 hours to process the disbursement. After that, you will receive a series of emails to your UTRGV email account notifying you of the progress of the disbursements.
