B. **Persons Affected**

This policy applies to faculty, staff, students and guests of UTRGV.

C. **Policy**

1. **Authorized Use of Alcoholic Beverages**

   a. **UTRGV-Sponsored Events.** With the written approval of the President or designee (signature on the “Application for Use of Alcoholic Beverages on Campus” form), alcoholic beverages may be sold or served for consumption at UTRGV sponsored events. An event is sponsored by UTRGV if a budgeted office, department, or division of UTRGV is responsible for organizing the event, inviting attendees, and paying for expenses related to the event, including food and beverages. Approved meetings or events organized and presented by a registered faculty, staff, or student organization(s) are not events sponsored by UTRGV.

      i. Under no circumstances may an organization publicly advertise an event using alcoholic beverages as an inducement to attend. Advertising of events may not include reference in any manner to the sale or availability of alcohol.

      ii. Activities where alcohol is served must not have drinking as the sole or primary purpose of the event. "All you can drink" parties and any form of “drinking contest" are prohibited.

   b. **Premises Licensed for Alcoholic Beverages.** UTRGV, through its authorized contractor, maintains and operates the UTRGV Food Service. The UTRGV Food Service provider has a permit from the Texas Alcoholic Beverage Commission to serve alcoholic beverages for consumption at all UTRGV campus locations. For additional information regarding the serving or storing of alcohol, please contact Campus Auxiliary Services at aux@utrgv.edu. The UTRGV Food Service also may apply for a temporary permit to serve and sell alcoholic beverages in compliance with state law and regulations for consumption at events in UTRGV facilities or on UTRGV property not covered by their permit when alcoholic beverages are permitted by this policy.
i. Alcoholic beverages may not leave the site where they were purchased or dispensed except in bulk form to be dispensed at another approved location.

ii. Food and nonalcoholic beverages must be available and served at the same place as the alcoholic beverages, and featured as prominently as the alcoholic beverages.

c. Special Use Facilities. UTRGV premises that have been designated as Special Use Facilities in the Handbook of Operating Procedures (HOP) may be reserved and used in accordance with the Rules and Regulations of The University of Texas System Board of Regents and UTRGV regulations.

i. Non-UTRGV individuals, corporations, or organizations that reserve and use a Special Use Facility for a permissible purpose and desire to serve food and beverages, including alcoholic beverages, must provide such food and beverages through the UTRGV Food Service.

Serving donated alcohol at fund-raisers, events that attendees pay to attend, or for which tickets are sold (i.e. any time money changes hands) constitutes the sale of alcohol and is not permitted.

iv. Non-UTRGV individuals, organizations, or corporations that reserve and use a Special Use Facility may not serve donated alcohol under any circumstances.
