

Being the first and most complete BA program in Spanish Translation and Interpreting in the State of Texas, the program scope is to help future practitioners of the art and science of Translation and Interpreting to play a vital role in shaping the global society of the 21st century. The program will contribute to the development of analytical skills, cultural literacy, linguistic competence, and professionalism, skills needed for superior translators and interpreters. In addition to course offerings in Modern Languages, the program encourages students to complete a thorough translation and interpreting curriculum that matches the standard international requirements, which also consists of a combination of three operational languages.
