The Bachelor of Science in Nursing (BSN) Program is generic in nature with a pathway for registered nurses. The Program is designed to enable students to integrate knowledge from theory and research, high-level skills, and concepts of leadership into the practice of professional nursing care of individuals, families, groups, and communities. The BSN Program provides a foundation for graduate study.

BSN generic graduates are eligible to apply to the Texas Board of Nursing to take the National Council Licensure Examination. After successfully completing this examination, the graduate is issued a license to practice as a registered nurse in the state of Texas.

ADMISSION, PROGRESSION, AND GRADUATION REQUIREMENTS, if applicable:

Admission requirements
1. Have a minimum 2.5 grade point average (GPA) on a 4.0 scale in all prerequisite courses.
2. Complete all BSN prerequisites with a minimum grade of ‘C’ in each course.
3. Pass math quiz [grade of 100].
4. Provide proof of current certification in cardiopulmonary resuscitation (CPR) for health care providers.
5. Provide documentation verifying absence of active (infectious) pulmonary disease.
6. Provide documentation verifying current immunization or immunity status for specified diseases (hepatitis B, measles, mumps, rubella, tetanus/diphtheria or tetanus/diphtheria/pertussis, varicella, flu/influenza, meningitis if <age 22, etc.).
7. Submit evidence of being cleared by the Texas Board of Nursing’s criminal background check.
8. RN applicants: Be a registered nurse or have a temporary permit to practice professional nursing in the applicant’s state of residence.
9. Submit application to the BSN Program by March 1st.
10. Be admitted by the BSN Student Development Committee. After being rank-ordered according to prerequisite-GPA, students will be admitted on a space-available basis.
Progression requirements
1. Maintain at least $1 million in professional liability insurance.
2. Provide annual documentation verifying absence of active (infectious) pulmonary disease.
3. Provide documentation verifying current immunization or immunity status for specified diseases (hepatitis B, measles, mumps, rubella, tetanus/diphtheria or tetanus/diphtheria/pertussis, varicella, flu/influenza, and, if <22, meningitis, etc.).
4. Provide annual proof of current certification in CPR (health care provider).
5. Maintain a 2.0 GPA on a 4.0 scale.
6. Achieve a minimum grade of ‘C’ in each required BSN course.
7. Satisfactorily complete BSN courses in approved sequence.
8. RN students: Provide evidence of current licensure to practice registered nursing in the applicant’s state of residence. Students will not be permitted to continue in clinical courses if a temporary permit expires without a license being issued or if a license to practice registered nursing has expired or been suspended, canceled, or revoked.
9. Seek academic advisement each semester regarding program progression.
10. Abide by and adhere to the BSN Student Guide.

Graduation requirements
1. Achieve a minimum grade of ‘C’ in each required course for the BSN degree.
2. Pass the BSN Readiness Exam [generics].
3. Attend designated NCLEX-RN review course [generics].
4. In addition to the graduation requirements listed in the UTRGV 2015-2017 Undergraduate Catalog, demonstration of proficiency in a language other than English is required at the undergraduate level equivalent to a minimum of six credit hours. Proficiency can be demonstrated by a college credit exam, a placement test approved through the UTRGV Department of Writing and Language Studies, and/or up to six credit hours of college-level language coursework.
