

---

*This program leads to a profession which requires an occupational license as defined under Texas Occupations Code 58.001. This requires that all applicants seeking to become licensed must undergo a criminal background check prior to licensure.*

---

*The field of rehabilitation is dedicated to assisting individuals, primarily adults, with disabilities to live full and independent lives. Graduates of the B.S. program are prepared to enter a wide-range of entry-level careers in rehabilitative and human services. Graduates are also prepared academically to continue into graduate studies in rehabilitation counseling and other related majors. The undergraduate degree places special emphasis in hands-on, experiential learning which is integrated into all course work. The educational experience culminates in a 360-hour practicum in an approved community setting.*

**A – GENERAL EDUCATION CORE – 42 HOURS**

*Students must fulfill the General Education Core requirements. The courses listed below satisfy both degree requirements and General Education core requirements.*
