**III. Comments**

9. Comments regarding significant changes from previous year's corresponding quarter.

Due to the separation of UTRGV into two agencies (UTRGV 746 and UTRGV-SOM 748), the FTE counts are not comparable between this fiscal year and prior fiscal years. However, some of the increases are due to the continued growth in the School of Medicine, as well as new initiatives at UTRGV, on the Academic side, such as the Graduate Student Program.
