

**Academic Dishonesty Violations  
General Process Flowchart**

Faculty members have two options to resolve suspected issues of academic dishonesty:

- Submit direct referral of the incident to Student Rights and Responsibilities (SRR) for resolution or
- Complete a faculty disposition form (the student does not dispute the facts and signs a form that includes the sanction and waives his/her right to the hearing process)

Both are reported on a single form (**Faculty Report / Faculty Disposition Form**) and the form should be attached to the Academic Dishonesty report submitted online. Please read the procedures for reporting an **academic dishonesty violation** and the **sanctioning guidelines**.
