

Undergraduate, Graduate and Professional Program Review Schedule Ten-Year Schedule Beginning AY 2020

Year 1: Fall 2019 to Spring 2020

College of Health Professions - MS Clinical Rehabilitation Counseling (CACREP Review)

College of Health Professions - PhD Rehabilitation Counseling (CACREP Review)

College of Liberal Arts – BA Communication

College of Liberal Arts - MA Communication

College of Liberal Arts – BS Psychology

College of Liberal Arts - MA Experimental Psychology

College of Liberal Arts - MA English-as-a-Second Language

Year 2: Fall 2020 to Spring 2021

College of Education and P-16 Integration – BS Early Care Early Childhood (CAEP Review)

College of Education and P-16 Integration – BIS Interdisciplinary Studies (CAEP Review)

College of Education and P-16 Integration - Masters of Reading and Literacy (CAEP Review)

College of Education and P-16 Integration - MA School Psychology (CAEP Review)

College of Education and P-16 Integration - MED Educational Leadership (CAEP Review)

College of Engineering and Computer Science – BS Civil Engineering (ABET Review)

College of Engineering and Computer Science – BSCS Computer Science (ABET Review)

College of Engineering and Computer Science – BSCE Computer Engineering (ABET Review)

College of Engineering and Computer Science – BSEE Electrical Engineering (ABET Review)

College of Engineering and Computer Science – BSMFGE Manufacturing Engineering (ABET Review)

College of Engineering and Computer Science – BSME Mechanical Engineering (ABET Review)

College of Health Professions - MS Occupational Therapy (ACOTE Review)

College of Liberal Arts – BA History

College of Liberal Arts – MA History (including MAIS History)

College of Liberal Arts – BA Social Studies

Year 3: Fall 2021- Spring 2022

College of Business and Entrepreneurship – BA Economics (AACSB Review)
College of Business and Entrepreneurship – BBA Economics (AACSB Review)
College of Business and Entrepreneurship – BBA Entrepreneurship and Innovation (AACSB Review)
College of Business and Entrepreneurship – BBA International Business (AACSB Review)
College of Business and Entrepreneurship – BS Materials Management and Logistics (AACSB Review)
College of Business and Entrepreneurship – BBA Information Systems (AACSB Review)
College of Business and Entrepreneurship – BBA Management (AACSB Review)
College of Business and Entrepreneurship – BBA Marketing (AACSB Review)
College of Business and Entrepreneurship – BBA Accountancy (AACSB Review)
College of Business and Entrepreneurship - MS – Business Analytics (AACSB Review)
College of Business and Entrepreneurship - MBA Business Administration (AACSB Review)
College of Business and Entrepreneurship - PHD Business Administration (AACSB Review)
College of Business and Entrepreneurship - MACC Accountancy (AACBS Review)
College of Education and P-16 Integration – MED in Educational Technology
College of Liberal Arts – BA Spanish Translation and Interpreting
College of Liberal Arts – MA Spanish Translation and Interpreting
School of Nursing – BSN Nursing (CCNE Review)
School of Nursing - MSN Nursing Administration (CCNE Review)
School of Nursing - MSN Nursing Education (CCNE Review)
School of Nursing - MSN Family Nursing Practitioner (CCNE Review)

Year 4: Fall 2022 to Spring 2023

College of Education and P-16 Integration - MED Curriculum and Instruction
College of Education and P-16 Integration - PhD Curriculum and Instruction
College of Fine Arts – BM Music (NASM Review)
College of Fine Arts - MM Music (NASM Review)
College of Fine Arts – BM Performance (NASM Review)
College of Health Professions - MS Communication Disorders (CAA Review)

College of Health Professions - MPAS Physician Assistant Studies (ARC Review)

College of Liberal Arts – MA English (including MAIS English)

College of Sciences – BS Biology

College of Sciences – MS Biology

School of Social Work – BSW Social Work (CSW-COA Review)

School of Social Work – MSW Social Work (CSW-COA Review)

Year 5: Fall 2023 to Spring 2024

College of Education and P-16 Integration – MED Early Childhood

College of Engineering and Computer Science – MS Engineering Management

College of Liberal Arts – BA Philosophy

College of Liberal Arts - MPA Public Affairs

College of Sciences – BS Chemistry

College of Sciences – MS Chemistry

Year 6: Fall 2024 to Spring 2025

College of Education and P-16 Integration – MED Special Education

College of Engineering and Computer Science – MSE Manufacturing Engineering

College of Fine Arts – MFA Art (including MAIS Art History)

College of Health Professions – BS Clinical Laboratory Sciences (NAACLS Review)

College of Liberal Arts – BA Anthropology

College of Liberal Arts – MAIS Interdisciplinary Studies (Anthropology)

College of Liberal Arts – BA Mexican American Studies

College of Liberal Arts – MAIS Interdisciplinary Studies (Mexican American Studies)

College of Sciences – BS Physics

College of Sciences – MS Physics

Year 7: Fall 2025- to Spring 2026

College of Education and P-16 Integration - MED Counseling (CACREP Review)

College of Engineering and Computer Science – MSE Mechanical Engineering

College of Fine Arts – MFA Creative Writing

College of Health Professions – MS Exercise Science

College of Liberal Arts – BA Sociology

College of Liberal Arts – MS Sociology

College of Liberal Arts - MA Disaster Studies

Year 8: Fall 2026- Spring 2027

College of Education and P-16 Integration – MED Bilingual Education

College of Engineering and Computer Science – MSE Electrical Engineering

College of Fine Arts – BA Theatre (NAST Review)

College of Health Professions – MS Health Science

College of Liberal Arts – BA Mass Communication

College of Liberal Arts - BSCJ Criminal Justice

College of Liberal Arts – BSCJ Criminology and Criminal Justice

College of Liberal Arts – MS Criminal Justice

College of Liberal Arts – BA Spanish

College of Liberal Arts – MA Spanish

College of Sciences – BS Environmental Science

College of Sciences – BS Sustainable Agriculture and Food Science

College of Sciences – MS Agricultural, Environmental and Sustainability Sciences

College of Sciences – BS Marine Biology

College of Sciences – MS Ocean, Coastal and Earth Sciences

Year 9: Fall 2027 to Spring 2028

College of Education and P-16 Integration – EDD Leadership

College of Engineering and Computer Science – MS Computer Science

College of Engineering and Computer Science – MS Information Technology

College of Liberal Arts – BA Political Science

College of Liberal Arts – MA Political Science

College of Sciences – BS Mathematics

College of Sciences – MS Mathematics

College of Sciences – MS Statistics

Year 10: Fall 2028 to Spring 2029

College of Education and P-16 Integration – MED Teacher Leadership

College of Education – MED Educational Diagnostician

College of Engineering and Computer Science – MS Civil Engineering

College of Liberal Arts – MA Clinical Psychology

College of Liberal Arts – PhD Clinical Psychology

College of Sciences – MS Biochemistry and Molecular Biology

School of Medicine- MD

School of Medicine – MS Bioethics

Programs to be Scheduled Upon Determination of Seeking Initial Accreditation

College of Engineering and Computer Science – BS Engineering Technology

College of Fine Arts – BA Art

College of Fine Arts – BFA Art

College of Fine Arts – BA Dance (teacher certification)

College of Fine Arts- BFA Dance
