MOVE FORWARD WITHOUT MOVING AWAY

At **UTRGV**, we understand how busy you are with family, work, and other commitments. We also understand your goal of moving your career forward.

That's why we offer a range of online graduate programs, so you learn at a pace, at a place, and at a time that's convenient for **you**.

UTRGV's online programs are regulars in top national rankings, as evident in our consistent appearance in Washington Monthly's Best Bang For Your Buck category for offering high-quality education at an affordable price.

Whether you're taking the next step in your career or preparing for a new one, we offer a plethora of online graduate programs including business, healthcare, and education that will help you **move forward without moving away**.

You'll be taught from award-winning faculty, learn the same innovative curriculum, and graduate with the exact career-boosting degree. All from the comfort of your own home.

So, go ahead.

**SHARPEN YOUR SKILLS, STRENGTHEN YOUR KNOWLEDGE,
AND SHAPE YOUR FUTURE**

REAL-WORLD RESEARCH & EXPERIENCE

As **UTRGV** embarks on a new journey of “**Research Excellence**”, we are meticulously working on strategic, tactical, and operational initiatives that will enable interdisciplinary research, faculty research development, and enriched scholarly activities across the institution.

From this perspective, the Graduate College offers a wide range of high-quality Accelerated Online Programs that are affordable, 100% online, and flexible to provide students with educational opportunities for high-quality experiences and engagement in collaborative and focused scholarship. The Accelerated Online Programs at UTRGV are strategically designed with more flexibility than traditional university degrees to make educational opportunities a reality for busy professionals.

With **16 master’s degrees** and **14 certificate programs** across business management, health science and human services, education, and liberal and fine arts degrees, each program offers the knowledge and credentials that are vital in your field and ensures that you gain practical applications, analytical skills, and problem-solving strategies. These Accelerated Online Programs are uniquely structured and efficiently paced to provide you with the essential professional development opportunity.

OUR ONLINE PROGRAMS CATER TO YOU

You're on-the-go and always off the beaten path. You make your own rules, and with a demanding career or a busy lifestyle — maybe both — you need an online program that can keep up with you and give you flexibility at a moment's notice.

The Accelerated Online graduate degree and certificate programs offered by UTRGV are designed for you to tailor your learning environment around your schedule and help you get the most out of each course.

Whether that's in the morning when you have some quiet time or in the late afternoon when the kids are asleep, you'll also find you can shift your schedule without falling behind.

HERE'S HOW THESE FLEXIBLE PROGRAM OFFERINGS WORK FOR YOU:

- Six 7-week modules throughout the academic year
- Courses taught by the same faculty as traditional on-campus programs
- Programs are 100% Online
- Asynchronous courses with no scheduled lectures or assigned meeting times
- Courses use Blackboard and SoftChalk educational technologies to bring the classroom to you

RANKINGS, AWARDS & NOTHING BUT FACTS

We know a thing or two about transforming lives with our approach to making education affordable, accessible but most importantly— achievable. Since day one, we've been reinventing what it means to be a University and what's expected of us from our students.

NATIONAL RECOGNITION

Big things are happening at UTRGV, it's no surprise esteemed outlets are taking notice.
