

REAL RESEARCH BIG IMPACT

BIG THINGS ARE HAPPENING ALL OVER UTRGV.

Our PhD students are lighting up the world — and the cosmos — with their research in gravitational waves. On the Brownsville campus, they work alongside award-winning faculty to explore new ways to treat and prevent common diseases through the principles of genetics and genomics. In Edinburg, groundbreaking research is transforming our understanding of information technology's impact on human behavior, while innovative STEM learning environments are bridging gaps and opening doors for future generations.

Earn your doctorate in the most affordable and vibrant part of Texas, where BIG questions meet their match, and dreams take flight. Bring your BIG goals and ambitions—even the ones too audacious to speak of — and watch them thrive in an environment dedicated to your success.

Join The University of Texas Rio Grande Valley!

AFFORDABLE LIVING. EXCEPTIONAL EDUCATION. IT'S ALL HERE.

The RGV's affordable cost of living offers a significant advantage when pursuing your PhD, allowing you to fully immerse yourself in your studies and research while enjoying the financial peace of mind that comes with manageable living expenses.

AFFORDABLE HOUSING

With generous stipends that comfortably cover rent, there's enough left over for living essentials and leisure activities.

LOW DAILY EXPENSES

Groceries, utilities, and entertainment costs are significantly lower, so you can enjoy artisanal coffee and organic produce without breaking the bank.

NO STATE INCOME TAX

Yes, everything might be bigger in Texas but your stipends and earnings go farther in the RGV. So, don't worry about cutting back on retirement savings during your doctorate—you'll still have the means to invest in your future.

HEALTH COVERAGE OPTIONS

UTRGV offers medical insurance options for graduate students, with some programs providing comprehensive coverage at no cost. Depending on your program, you may also have the option to add coverage for family members. Dental and vision insurance are available as well.

**UTRGV PHD
STIPENDS:**

Approximately

\$20,000-\$25,000

per year

AVERAGE COST OF RENT ACROSS TEXAS

\$949

McAllen

\$1,153

Austin

Focus On Your Defense, Not Your Budget: When you combine our generous stipends and the RGV's low cost of living, getting your PhD at UTRGV **JUST MAKES SENSE.**

WHY CHOOSE THE RIO GRANDE VALLEY FOR DOCTORAL STUDIES?

There are only 135 U.S. institutions classified with the Carnegie R2 distinction, an indication of high activity in impactful research, and UTRGV is proud to be one of them. With our research focus in diabetes and obesity, human genetics, neurosciences, cancer, rail safety, additive manufacturing, coastal studies, and more, we're already just one level away from the highest classification of Tier One.

PROFESSIONAL DEGREES
