UTRGV™ — CREDIT BY EXAM PETITION

Student ID:	Date:
Student's First Name:	Student's Last Name:

Before completing this form, verify that your official scores have been received by UTRGV. To verify, go to ASSIST, click on Student Profile and select the Prior Education and Testing option. Your scores should be listed under the Testing section.

I request that the following credit be granted. (See website for minimum scores required).

Type of Exam (IB/AP)	Exam's Name (i.e. AP Biology, IB French B)	Credit Requested (i.e. ENGL 1301, MATH 2413)

Student Acknowledgement:

- I understand that although all the credits can be added to my academic record, only 30 hrs of credit by exam (AP/IB/CLEP or other) can be applied towards my degree.
- I am aware that the decision to accept this credit by exam is not reversible and I have discussed my options with my advisor.
- I understand that if I already have a passing grade for one of these classes, I will not be given the credit.
- If multiple exams result in the same course credit, the credit will only be given once.
- A grade of CR will be granted for any credit posted. Grades of CR are not calculated in the GPA.
- I understand that credit by exam may affect tuition rebate eligibility, financial aid grants, preparedness for other required courses, excess hour limits, requirements for medical school admission, etc.

For new students, credit will be posted to student's account after Census day of their first term of enrollment. To verify if credit has been granted, check the Advising Course History option on your Academic Record in ASSIST.
