Note

This program leads to a profession which requires an occupational license as defined under Texas Occupations Code 58.001. This requires that all applicants seeking to become licensed must undergo a criminal background check prior to licensure.

Admission Requirements

Students must apply and be formally accepted to the Communication Sciences and Disorders Undergraduate Program. The following must be completed prior to date of COMD Undergraduate program application:

- 1. Students must take STAT 2334 and complete the course with a 'C' or higher. No substitutions allowed.
- 2. Students must take three science courses: BIOL 1406 and 1407 (or BIOL 1487 and BIOL 1488) or BIOL 2401 and 2402, and either one Physics course with lab OR one Chemistry course with lab. These courses must be completed with a 'C' or higher. No substitutions allowed.
- 3. Students must lack no more than six courses from the following areas: General Education Core, Electives, or Supplemental/Support. The STAT 2334 and the three science courses cannot be included as part of the six courses lacking at the time of the application. MATH 1314 is a prerequisite for STAT 2334.
- 4. Students must have a minimum GPA of 2.8. Admittance is competitive.

Graduation Requirements

In addition to the graduation requirements listed in the UTRGV 2018-2019 Undergraduate Catalog, demonstration of proficiency in a language other than English is required at the undergraduate level equivalent to a minimum of six credit hours. Proficiency can be demonstrated by a college credit exam, a placement test approved through the UTRGV department of Writing and Language Studies, and/or to six credit hours of college-level language coursework.
