Brownsville

Main Building Courtyard
April 12, 4-7 p.m.

Edinburg

Education Complex Lawn
April 13, 4-7 p.m.

Learn about the many programs and opportunities available to our community and students.

- Ask about our undergraduate and graduate programs, including how to become a teacher and principal.
- Check our Teach Live demonstrations, the technology tools we use in our teacher preparation programs.
- Interact with our student organizations such B.E.S.O. (Bilingual Education Student Organization).
- Visit the Early childhood students' STEAM camp, which includes a variety of science, technology, engineering, art, and math activities for children who are 3 to 9 years old/
- Interact with UTeach hands-on STEM activities.
