- Learnina Center

FIRST & SECOND YEAR EXPERIENCE

Focuses on pre-admission teacher candidates with 0-60 credits; roadmaps and blueprints include pre-admission cluster, service learning, substitute teaching; general orientation to profession with focus on professional dispositions. Membership into professional teaching organization and awareness of legislative policies impacting profession. Metric for success is first year retention rates.

TRANSITION TO EDUCATOR PREP PROGRAM

Focuses on successfully transitioning preadmission students into the teacher education program as teacher candidates in preparation of completing coursework, program, field experiences and having success on certification tests. Metric for success is progression into clinical teaching.

EVOLUTION OF THE PROFESSIONAL TEACHER

Focuses on successfully preparing professionals for the teaching profession with strong clinically-rich experiences and framework for teaching and learning exemplified by CEP's Mission and Vision.

Metric for success is graduation and teacher certification with teacher candidates ready to enter the profession.

Institutional Investment and Leadership

The Student Success Support and Steering Council (S4C) will provide direction, support, and advocacy for SST work. Membership of the S4C includes leaders in areas impacting student success. Institutional and college-specific goals, initiatives, and achievements will be frequently reviewed and prioritized with leaders from across the institution.
