The Gonfalon

The College of Education and P-16 Integration: The torch represents the guiding light – the ability for graduates to serve as a beacon for others and for the college to serve as a light that will lead the way for others. The multi-colored flame symbolizes the forward-thinking nature of the college, bringing power to ideas. The background's light blue color signifies education, wisdom, intelligence and integrity.

El Estandarte de la Facultad de Pedagogía e Integración Escolar y Universitaria: La antorcha representa la luz de guía – la habilidad de los egresados para servir como faros y de la facultad para servir como una luz que iluminará el camino. La llama multicolor simboliza el pensamiento progresista de la facultad, que le da poder a las ideas. El color celeste del fondo representa la educación, sabiduría, inteligencia, e integridad.
