- 2.3. The Southwest Collegiate Individual Championship is held as a part of the Southwest Open. It is an additional collegiate classification of the main (“international”) section.
- 2.4. The remaining three championships are separate events. They shall rotate from one university to another.
- 2.5. The Host College is responsible for finding an appropriate campus location. If it appears more favorable, events can be held off campus.
- 2.6. Publicity is an important part of attracting new participants to the collegiate events. The Host College is responsible for PR.

3. FINANCES

- 3.1. The Host College selects and pays for Tournament Directors and additional Tournament Staff.
- 3.2. The Host College pays for USCF and FIDE rating fees at the Southwest Collegiate Individual Championship and the Texas Collegiate Super Finals.
- 3.3. The Host College provides and pays for awards, including trophies, medals, and plaques.
- 3.4. The Host College pays for other organizational expenses.
- 3.5. Participants are responsible for their travel and accommodation expenses.
- 3.6. There is no entry fee for Texas Collegiate Individual Championship, Southwest Collegiate Team Championship, and the Texas Collegiate Super Finals.
- 3.7. There is no additional entry fee required in order to be included in the collegiate classification (Southwest Collegiate Individual Championship) at the Southwest Open.

4. ELIGIBILITY

- 4.1. The events are open to students of any post-secondary degree-awarding school (university, college, community college, academy, seminary, conservatory, institute of technology, etc.).
- 4.2. The Texas Collegiate Super Finals are open to Texas schools only.
- 4.3. The Texas Collegiate Individual Championship is open to all students, however only students representing Texas schools are eligible for awards.
- 4.4. The Southwest Collegiate Team Championship and the Southwest Collegiate Individual Championship are open to schools from all states.
- 4.5. A player shall not be enrolled in high school.
- 4.6. Faculty and staff shall not be eligible to compete. In this context, “staff” is not intended to include student workers or teaching assistants.
- 4.7. International Masters and Grandmasters shall meet additional eligibility rules set by the Texas College Chess Committee.
- 4.8. There is no limit as to the number of participants or teams per school.

5. MISCELLANEOUS

- 5.1. The Host College is encouraged to arrange a brief opening ceremony prior to the start of the first round. Local dignitaries, deans or faculty from the host school, and the press should be invited.
- 5.2. The Host College is responsible for an awards ceremony in keeping with the stature of the championships.
- 5.3. For players with FIDE ratings only, the following conversion formula shall be used:
 - 5.3.1. FIDE Under 2000: USCF rating = FIDE rating x 5/8 + 720
 - 5.3.2. FIDE 2000 or above: USCF rating = FIDE rating x 1.16 – 350
- 5.4. If an Armageddon game is needed, White shall have five minutes, Black four minutes, there shall be a second of increment. A draw is sufficient for Black to win the championship. Article B.3 of [the FIDE Laws of Chess](#) shall apply.
- 5.5. Prearranging results is prohibited. If proven, the game shall be forfeited by both players.

- 5.6. Players shall keep silence at the tournament venue.
- 5.7. During play, a player is forbidden to have a mobile phone and/or other device capable of processing or transmitting chess analysis in the playing venue, unless the Chief Arbiter announces otherwise.
- 5.8. Options available to the Chief Arbiter regarding penalties:
 - 5.8.1. Warning.
 - 5.8.2. Increasing the remaining time of the opponent.
 - 5.8.3. Reducing the remaining time of the offending player.
 - 5.8.4. Increasing the points scored in the game by the opponent to the maximum available for that game.
 - 5.8.5. Reducing the points scored in the game by the offending player.
 - 5.8.6. Declaring the game to be lost by the offending player (the arbiter shall also decide the opponent's score).
 - 5.8.7. Exclusion from one or more rounds.
 - 5.8.8. Expulsion from the competition.
- 5.9. Decisions taken by the Chief Arbiter are final.
- 5.10. Players shall insure themselves for health and accidents for the period of the championships.
- 5.11. A copy of this document shall be posted on the College Chess Websites of Texas Tech University, University of Texas - Dallas, and University of Texas - Rio Grande Valley.
- 5.12. The Final Interpretation of this document belongs to the Texas College Chess Committee.

Appendix A - Texas Collegiate Individual Championship

Appendix B - Southwest Collegiate Team Championship

Appendix C - Southwest Collegiate Individual Championship

Appendix D - Texas Collegiate Super Finals

APPENDIX A - TEXAS COLLEGIATE INDIVIDUAL CHAMPIONSHIP

A.1. SYSTEM OF PLAY AND RULES

- A.1.1. USCF membership shall not be required.
- A.1.2. The event shall not be either FIDE or USCF rated.
- A.1.3. Most recent published USCF regular ratings shall be used for tournament purposes.
- A.1.4. Door entries shall be permitted up to a certain cutoff time before the first round (enough to allow for first round pairings). Players not registered by the cutoff time shall be paired from Round 2 only, unless the Chief Arbiter decides otherwise.
- A.1.5. The event shall be a 6-round Swiss System individual tournament. After consultation with the Texas College Chess Committee, the Chief Organizer may adjust the number of rounds, based on the number of participants.
- A.1.6. No byes shall be allowed.
- A.1.7. The rate of play shall be G-15'+10" (15 minutes for a game for a player, with an increment of 10 seconds per move).
- A.1.8. Play shall be governed by [the FIDE Laws of Chess](#). Article A.4 shall apply.
- A.1.9. The game shall be lost by the player who arrives at the chessboard after his/her flag has fallen.
- A.1.10. The Chief Arbiter shall be a Senior TD or higher.

A.2. STANDINGS

- A.2.1. A win is worth 1 point, a draw is worth $\frac{1}{2}$ point, and a loss is worth 0 points.
- A.2.2. The Final Standings shall be determined by (in a descending order):
 - A.2.2.1. Number of scored points.
 - A.2.2.2. Solkoff: For each player, this system sums the number of points earned by the player's opponents. Unplayed games by the opponents count $\frac{1}{2}$ point. Unplayed games by the player count zero points.
 - A.2.2.3. Cumulative: To calculate this, sum the running score for each round. For example, if a player has (in order) a win, loss, win, draw, and a loss; his round-by-round score will be 1, 1, 2, $2\frac{1}{2}$, $2\frac{1}{2}$. The sum of these numbers is 9. Additionally, one point is subtracted from the sum for each unplayed win, and $\frac{1}{2}$ point is subtracted for each unplayed draw. In the previous example, if the fourth-round draw was instead a $\frac{1}{2}$ point bye, then $\frac{1}{2}$ point would be subtracted and the final sum would be $8\frac{1}{2}$.
 - A.2.2.4. Cumulative of Opposition: This sums the cumulative scores of the player's opponents.
 - A.2.2.5. Coin Toss: If necessary, a coin toss will be the final tiebreak.
- A.2.3. If two or more players tie for first place, the two players with the highest tie-break shall play an Armageddon game. The player with the highest tie-break shall choose color.

A.3. AWARDS

- A.3.1. Only students representing Texas schools are eligible for awards.
- A.3.2. The winner is declared Texas Collegiate Individual Champion.
- A.3.3. All players that tie for first place are considered co-champions.
- A.3.4. Top three players shall receive trophies, plaques, and medals.
- A.3.5. The Host College can provide participants with additional awards.
