

School of Rehabilitation Services & Counseling

Bilingual Counseling Certificate 100% Online

The 9-hour Bilingual Counseling Certificate, offered completely online, has been created for mental health professionals who are interested in enhancing Spanish language proficiency, developing cultural awareness, and applying appropriate cultural counseling skills when working with Spanish-speaking populations. The certificate is designed to meet the needs of a rapidly growing Spanish-speaking population. This online certificate is ideal for mental health professionals (or those currently in a counseling program) from all over the nation who are looking for an opportunity to enrich their Spanish skills and knowledge.
