

TEXAS IPE CONSORTIUM

Building Connections to Interprofessional Collaboration: Innovations in Substance Use and Harm Reduction Pedagogy

MAY 11, 2021 | 11:00 AM - 1:40 PM CST | VIRTUAL EVENT

Join us for this 2.5-hour workshop-style virtual event to learn more about innovations in IPE programming focused on opioids, substance use, and/or harm reduction in addiction.

FEATURED KEYNOTE

Lucas G. Hill, PharmD, BCPS, BCACP

Lucas G. Hill graduated from the University of Missouri-Kansas City School of Pharmacy and completed a combined family medicine residency and faculty development fellowship at the University of Pittsburgh Medical Center. He is now a clinical assistant professor at The University of Texas at Austin College of Pharmacy where he serves as director of the Pharmacy Addictions Research & Medicine (PhARM) Program.
