

Fall Convocation 2025

The College of Health Professions had an amazing convocation to launch the new semester!

Dr. Michael Lehker, our Dean, delivered an inspiring message to faculty and staff, highlighting our recent achievements, future goals, and the exciting journey ahead.

The event also honored award recipients, retirees, promotions, and tenure milestones, making it a truly celebratory occasion.

It was a wonderful way to come together and energize our team for the semester ahead!
