

# College of Health Professions Interprofessional Education Fellows Present:

## A Webinar Series: Introduction to Healthcare Profession Programs in the COHP at the University of Texas-Rio Grande Valley

Healthcare team members from the Department of Physician Assistant Studies (PA), Clinical Laboratory Science Program (CLS), and the Nutritional Sciences Program (BSNS) invite you to join them in an exploration of their careers. During this seminar, you will hear from students in these three programs, as well as practitioners in the field!

### The student and practitioner presenters are:

**PA Professional:** George Vera, MPAS

**PA Student:** Arely Cavazos - PA Student

**CLS Professional:** Daniela Gill, MS, MLS(ASCP) - Clinical Assistant Professor - Clinical Laboratory Science Program, UTRGV

**CLS Student:** Aleyda Rodriguez - CLS student

**Nutrition Professional:** Robert Salazar MS, RDN, LDN

**Nutrition Student:** Karla Zurita - NUTR student

**Opportunity to ask questions during a live panel discussion following all presentations.**

**Date: Friday, January 29, 2021**

**Time: 12:00PM - 1:00PM**

Zoom link for the webinar will be emailed upon registration.
