

College of Health Professions Interprofessional Education Fellows Present:

A Webinar Series: Introduction to Healthcare Profession Programs in the COHP at the University of Texas-Rio Grande Valley

Healthcare team members from Occupational Therapy (OT), Exercise Science (ES), and Rehabilitation Services and Counseling (RESC) invite you to join them in an exploration of their careers. During this seminar, you will hear from students in these three programs, as well as practitioners in the field!

The student and practitioner presenters are:

OT Professional: Eva Anger, OTD, OTR - Clinical Assistant Professor, UTRGV

OT Student: Christian Barrera - MSOT Student

ES Professional: Dr. Ricardo Garcia, DPT - Physical therapist in Harlingen, TX

ES Student: Cailey Granado - ES Senior in the Physical Therapy tract

RESC Professional: Dr. Melissa Escamilla, Program Director for the Veterans Supportive Services at Endeavors, McAllen Texas

RESC Student: Katherine Jasso – RESC Student

Opportunity to ask questions during a live panel discussion following all presentations.

Date: Friday, November 20, 2020

Time: 12:00PM - 1:00PM

Zoom link for the webinar will be emailed upon registration.
