

# NSSLHA Community Involvement

We're excited to share a photo of our 2025–2026 NSSLHA Executive Board Members along with highlights from their recent events! This October was a fun and rewarding month for the members; they volunteered at several local events, including a theater play with RGV's Down Syndrome Association, an Inclusive Pumpkin Patch for families with special needs, the Step Up for Down Syndrome Walk, the ALS Awareness Walk, and a Trunk or Treat event with RGV's Disability Scholarship. They also hosted a guest speaker who gave an engaging presentation on dyslexia for our undergraduates. We're proud of everything our chapter has accomplished and excited for what's ahead!
