- Third Way, a national think tank, has ranked UTRGV **#1 among all large Texas universities and #6 nationally among all universities based on Economic Mobility Index** or how well universities serve low-income students.
- U.S. News and World Report, based on 19 key measures of academic quality, has ranked UTRGV **#6 among all public universities in Texas and #227 among all universities nationally** - up 72 places from the previous year; and the **#1 top performer in Social Mobility among all public Texas universities**.
- The Hispanic Outlook on Education Magazine has ranked UTRGV as **#2 in total bachelor's degrees granted, #3 in total master's degrees granted, and #4 in total enrollment for 4-year schools** and spotlighted UTRGV on the front cover of its October 2023 edition for its excellence and commitment to Hispanics in higher education.

PHILANTHROPIC SUPPORT

UTRGV has received almost \$220 million in private fundraising, including:

1. A \$40 million donation from MacKenzie Scott
2. A \$38 million donation to establish the THRIVE medical hub project
3. The naming of The Robert C. Vackar College of Business and Entrepreneurship
4. The establishment of hundreds of undergraduate and graduate endowed scholarships

TRANSFORMING HEALTHCARE

UTRGV's School of Medicine graduated its inaugural class in May 2020 and soon will graduate its fourth class. All graduates are continuing their clinical training in residency programs at hospitals here in the Rio Grande Valley, across Texas, and throughout the United States. UT Health Rio Grande Valley, the clinical practice of the UTRGV School of Medicine, continues to transform the health of the Rio Grande Valley and proudly provides high-quality patient care in over 25 clinical sites across the Rio Grande Valley.

NEW CANCER AND SURGERY CENTER

UTRGV participated in a Topping Out Ceremony for the much-anticipated UT Health RGV Cancer and Surgery Center, which is part of UT Health RGV's commitment to bringing the highest level of care to every patient in South Texas.

The three-story facility will offer medical specialties and clinical services in cancer care such as medical, radiation and surgical oncology, with additional opportunities to expand the cancer research being conducted at UTRGV and at its School of Medicine. The University of Texas MD Anderson Cancer Center, world leader in cancer care and research, is providing advisory services, to help us develop and launch the cancer program in the Rio Grande Valley by spring 2025.

Dear
**CLASS
OF 2023,**

On behalf of everyone at the university, congratulations on your graduation!

Earning a university degree is a significant milestone. When reflecting upon this achievement, it is critical to recognize that a UTRGV degree represents more than just academic attainment — it symbolizes a dedication to excellence that extends far beyond you, me, or the institution itself. After all, your success is ultimately a testament to the support and influence of the people you have in your life. Your diploma and accomplishment are also for them.

But what makes this moment even more remarkable is that you started your journey during the most disruptive period ever in the history of American higher education. Along the way, you learned some important life lessons in resilience and determination that will serve you well as you embark on your professional career. All the hard work and sacrifices you made have paid off. Though the homework and late-night study sessions are over, the memories and the friendships you made at UTRGV will remain with you, always.

You are now a UTRGV graduate and join a family of over 137,000 prideful and successful UTRGV and legacy alumni around the World. This Fall Commencement, UTRGV will celebrate surpassing 50,000 UTRGV graduates since our inception, and you are part of this incredible achievement. Like those who came before you, you have paved the way for students who will follow in your footsteps. As you begin the next chapter of your life, remember that your success will enhance UTRGV's stature, as well as the prospects and opportunities of future students.

The Office of Alumni Relations invites you to stay connected with your alma mater and share your accomplishments. Follow the Office of Alumni Relations on Facebook, LinkedIn, and X (formerly Twitter) at UTRGV Alumni and Legacy or email them at alumni@utrgv.edu.

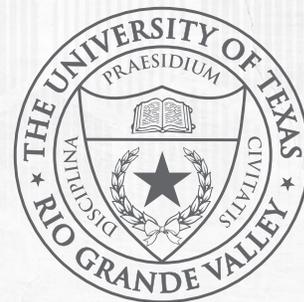

Again, congratulations on your graduation. We wish you continued success and remind you that UTRGV will always be your home. You will forever be part of our Vaqueros family. Your friends, family, and everyone at UTRGV salute you — V's Up!

Sincerely,

Guy Bailey

COSTUMES AND CUSTOMS OF COMMENCEMENT

The colorful costumes and traditional customs of college commencements trace their beginnings back to the origins of the contemporary university in medieval Europe. Modern American colleges and universities carry on many traditions that began at Oxford and Cambridge to demonstrate the continuity of learning over the centuries and to emphasize the importance attached to commencement exercises. Academic regalia refer to the distinctive attire worn by students, faculty, and other university officials at commencement. The origins of academic dress date back to the 12th and 13th centuries, when universities were taking form. The ordinary dress of the scholar, whether student or teacher, was the dress of a cleric. Though the custom of wearing academic dress was brought to America in colonial times, it was not until 1895 that a standardized code of academic dress was established and followed by most colleges and universities. The gown, hood, cap, and additional ornaments are the main categories of academic regalia and are distinctive for each degree.

CAPS

Headwear is an important component of the cap and gown, and the academic costume is not complete without it. The standard commencement headwear is the Oxford cap: a skullcap topped by a square cloth-covered board - the reason for its "mortarboard" nickname. Some doctoral faculty members wear a softer Cambridge version of the cap that is a velvet tam with four, six, or eight corners. Usually, the color of the cap matches the color of the gown. Caps are worn throughout academic processions and during the ceremony of conferring degrees.

TASSEL

The tassel is attached to a button on the top of the cap and hangs down to the right for bachelor's candidates until their degree is conferred. Many universities ceremoniously have graduates move their tassel from the right to the left. Both master's and doctoral candidates' tassels often begin and remain on the left.

GOWNS

The gown is the most basic of academic regalia. The Costume Code calls for three types of gowns: doctoral, master's and bachelor's. Most gowns are black, but some universities have adopted distinctive colors. The bachelor's gown is the simplest of the three, a plain gown with long, pointed sleeves. The master's gown is distinctive for its extremely long, closed sleeves (originally used as a place to carry small books or other materials), the arms protruding through a slit at the elbow. The doctoral gown is the most elaborate, with front-facing velvet and three velvet bars on each of the full, billowing sleeves. The velvet can be black, Ph.D. blue, or the academic color to which the degree corresponds.

HOODS

The hood is derived from the cowls worn by clerics in the Middle Ages for warmth. Today, they are worn symbolically, hanging down the back. Master's hoods are 3 1/2 feet in length and have a velvet trim along the edge. Doctoral hoods are 4 feet in length and have a wider velvet trim. The satin lining of the hood, worn so that it can be seen, reflects the colors of the degree-granting institution. The color of the velvet trim signifies the academic discipline of the wearer's degree. As codified by the American Council on Education, some of the official colors associated with the various degrees and disciplines are:

White: Arts and Letters
Drab: Business/Accounting
Light Blue: Education
Orange: Engineering
Purple: Law
Lemon: Library Science
Green: Medicine
Pink: Music
Brown: Fine Arts
Apricot: Nursing
Olive Green: Pharmacy
Dark Blue: Philosophy
Sage Green: Physical Education
Salmon Pink: Public Health
Golden Yellow: Science
Citron: Social Work
Peacock Blue: Public Administration

In the case of the Doctor of Philosophy (Ph.D.) degree, the dark blue color represents the mastery of learning and scholarship in any field, not just the field of philosophy.

ADDITIONAL ORNAMENTS

Some participants in the commencement ceremony will wear additional ornaments such as colored cords, medallions, stoles, or sashes. These ornaments signify the wearer's membership in an honor society or special group.

CHAIN OF OFFICE AND PRESIDENTIAL MEDALLION

The presidential medallion is the official insignia of the university president and is worn at commencement and other ceremonial occasions. Like many academic traditions, the display of a heavy “chain of office” comes from medieval regalia and represents the weight of responsibility for the wearer.

The UTRGV medallion and chain were designed in 2015 and executed by the jewelry students, jewelry faculty, and craftsman Lino Guiza in the UTRGV College of Fine Arts. The medallion is made up of two parts: the seal of The University of Texas Rio Grande Valley surrounded by an abstract sunburst created with a brick and mortar design. The cactus flowers on the outer edges of the seal are placed at the four cardinal points with the largest flower pointing south. The counter weight to the medallion is a representation of the native sabal palm. The Chain of Office is a circlet of art deco-inspired links representing the past, while revealing an infrastructure of bridges, aqueducts, and gears that speak to the importance of our solid foundation, water, and movement into the future. The chain features many aspects of the Rio Grande Valley that aid our growth and commitment to higher education:

Arches
Water
Turbine
Neuron Tree
Circuit Board

Abacus
Bone
Binary Code
Leaves/Quills

Butterfly
Tortoise
Finger Print
Road Junction

BELL

Our stately bronze bell, circa 1850 is rung during commencement to symbolize a rite of passage and proclaims that a worthy and well-qualified individual has passed from one station in their life to a loftier one. Our bell is also the icon for the Bell Scholarship Endowment. Two outstanding students are selected to ring the bell at each commencement.

MEMORY STOLE

When students graduate from UTRGV they know they did not make the journey alone. The Memory Stole, a symbol of appreciation, is worn by graduates during the commencement ceremony. Following the ceremony they are encouraged to present the stole to a special family member, professor, or friend as a symbol of gratitude and appreciation for their support, inspiration, or mentorship.

CEREMONIAL MACE

In medieval times, the mace was a symbol of authority and carried before or set near a high official when ceremonies or sessions were being conducted. Today, the mace symbolizes the university’s governing authority and signifies the proceedings are officially sanctioned. Traditionally, the chair of the Faculty Senate acting as the Grand Marshal carries the mace to lead the academic procession at commencement and other special ceremonies.

The UTRGV 47” ceremonial mace was designed in 2016 by students in the College of Fine Arts and a committee of faculty from anthropology, archeology, geology, history, communication, and art. The head and seals of the mace were 3D printed and cast at the UTRGV College of Fine Arts. The mace is intricately imbued with historical, cultural, and architectural meaning.

The handles of the mace are made of mesquite wood locally sourced in the Rio Grande Valley and engraved with a decorative pattern of the state’s official turtle, the Ridley, and wind turbines.

The helix, between the handles, represents the coming together of the legacy institutions. The helix is made of petrified palm, the official stone of Texas.

The base is crafted from mesquite and inlaid with blue selenite, thought to be associated with mental clarity, truth and honesty, and to represent the Rio Grande River.

The tip of the mace is made of El Sauz chert excavated and donated by Dr. Juan L. Gonzalez.

UTRGV COLLEGE GONFALONS

The college gonfalon—or banner—with roots in the Middle Ages, was a symbol of units or family groups. Today, gonfalons are used at official university ceremonies as heraldic devices and are frequently carried during processions at commencement.

COLLEGE OF EDUCATION & P-16 INTEGRATION

Symbols:

The torch represents the guiding light – the ability for graduates to serve as a beacon for others and for the college to serve as a light that will lead the way for others.

The multicolored flame symbolizes the forward-thinking nature of the college, bringing power to ideas.

Colors:

Light blue for education, wisdom, intelligence and integrity.

COLLEGE OF ENGINEERING & COMPUTER SCIENCE

The dominant image is an interpretation of Moore's Law: Every year, computer chips and components are able to compute twice as much data.

The eye of providence symbolizes the grand architect. In this case, the engineer takes all things into consideration.
