UNIVERSITY OF TEXAS RIO GRANDE VALLEY

Department of Communication Sciences and Disorders

Student Achievement Data

June 2022

Program On-Time Completion Rate

Academic Year	Students in Cohort	Completed On Time	Completed Later than On Time	Did Not Complete	Completion Rate
2021-2022	25	25	0	0	100.00%
2020-2021	27	26	1	0	96.30%
2019-2020	23	22	1	0	95.65%
			Completion Rate 3-Year Average		**97.33%**

Program completion rate for a given academic year is determined by dividing the number of students who completed the master's degree program in communication sciences and disorders within the expected 6-semester timeframe by the total number of students in that particular cohort.
