

“Infringe on the rights of the sentient peoples of the galaxy to speak freely, the Republic shall not. Gather peacefully, as in the Galactic Senate, and informally the people shall be free to do. The freedom of information and ideas shall be unimpeded as well. Intervene in the redress of General Grievances, the Senate and Jedi Council shall. Interrupt an individual's ability to connect to the Force in a manner of their own choosing, the Republic shall not, for that is a path to the Dark Side.

Search your feelings. You know it to be true.”

FIRST AMENDMENT

Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the Government for a redress of grievances.
