Subject: CARES Attestation

Importance: High

Dear Student,

The U.S. Department of Education requires a 2020-2021 Free Application for Federal Student Aid (FAFSA) on file, or a completed attestation confirming that you meet the Title IV eligibility criteria under section 484 of the Higher Education Act (HEA) to receive the available Cash Grant funded by the CARES Act.

You do not have a 2020-2021 FAFSA on file at this time. We highly encourage you to complete this application by August 1 to ensure it is received by the August 7th deadline. The application is located at <http://www.fafsa.gov>.

If you choose not to complete the FAFSA but would like to be considered for the Cash Grants, please complete the [Attestation](#) by August 5th so that we may determine your eligibility.

For questions, please contact the scholarship office at (956)665-2935.

Sincerely,

Scholarship Office
(956) 665-2935
