

## Student Travel Guidelines

### Student Travel

The purpose of the Student Travel policy (STU 01-300) is to set forth University rules and procedures regarding student and pre-college University program participant travel and to comply with [The University of Texas System policy](#) and state law (Texas Education Code §51.950) relating to student travel. University students may travel off campus when representing a student organization, University department, or engaging in intercollegiate competition or academic activities. Examples of student travel include, but are not limited to, class field trips and assignments; attendance at scholarly or professional conferences; University-funded student organization travel; class trips for educational or cultural enrichment; athletic, student publication, dramatic, music, or forensic competition or performances; student leadership conferences; placement forums; and graduate school visits.

Travel by students is most commonly associated with the work of sponsoring faculty members such as participating in assigned practica or rotation experiences, conducting field studies, and attendance and/or presentations at professional organizations. In these situations, it is the responsibility of the sponsoring faculty member and his or her department or other university sponsor to assure that students traveling on their behalf are aware of travel rules and regulations.

If any currently enrolled UTRGV student or registered Student Organization must travel to attend an activity or event that is located more than 25 miles away from a UTRGV campus from which travel will originate; and

- Travel to the activity or event is planned or funded and undertaken using a personal vehicle, rental vehicle, public transportation (plane, bus, etc.) or a vehicle owned, rented or leased by the University.
- Attendance at the activity or event is required by a registered student organization and approved in accordance with this Policy.

### The following forms must be completed:

- Authorization for Student Travel Form
- A *Release and Indemnification Agreement Form* for each student attending.
- If more than ten (10) students are in attendance a list of names plus student identification numbers should be included in the packet.

Please submit the forms to the Office of the Dean of Students, Brownsville-Cortez Rm. 204 or Edinburg-University Center Rm. 323 **no later than ten (10) business days prior to departure date.**

## Travel Tips:

- Each group must designate a Travel Coordinator who is responsible for submission of all travel documentation and will ensure all necessary information is completed on all UTRGV Travel Forms.
- When possible, the advisor or groups sponsor should travel with the group and serve as travel coordinator.
- All drivers for any student travel must have a valid Driver's License. As per policy, driver may not drive longer than four (4) continuous hours without a scheduled rest stop. The rest stop must last a minimum of 30 minutes before that same driver may resume driving. Total driving time within a 24 hours period may not exceed 8 hours per authorized driver. Driving shall not occur between the hours of 11:00pm and 6:00am without prior approval from Environmental Health, Safety, and Risk Management.
- In case of an accident, the Travel Coordinator or designee responsibility is for contacting University Police Department Ph#: (956) 665-7151 or (956) 882-8232 who will notify the appropriate personnel. All registered students involved in a vehicle accident are required to visit with Student Health Services upon their return, regardless of the extent of any injury incurred.  
*Note: Pre-college University program participants that are not enrolled at UTRGV are not eligible for medical care at Student Health Services.*
- Prior to leaving, each group must receive a pre-trip orientation, which must include:
  - Applicable rules of conduct as per the University's Student Conduct Code and the Student Travel Policy;
  - Itinerary and contact information;
  - Safety issues while traveling and while at the destination point.
    - Parents/guardians of participants of pre-college University programs will receive pre-trip orientation information as per the program's guidelines.
    - Students who use their own vehicle or another privately owned vehicle for approved travel are expected to follow all safety requirements set out in the Student Travel policy. In addition, the student's personal auto insurance will be primary at all times when the student uses their vehicle for University travel.
- All students who travel with a group are required to stay with that group throughout the duration of the trip. Pre-college University program participants who are not enrolled as students at the University must abide by the policy and procedures for their program.
