

The University of Texas Rio Grande Valley

REQUEST FOR BLANKET WAIVER OF UNDERGRADUATE GRADUATION REQUIREMENT

REQUIREMENT TO BE WAIVED

3 advanced hours in the major and 3 advanced hours overall on current and previous UTRGV catalog years and UTPA legacy catalogs.

JUSTIFICATION FOR THE WAIVER REQUEST

Currently, STC transfer students have CRIJ 1310 mistakenly applied to fulfill requirements for CRIJ 3310 in DegreeWorks. At the time of the degree audit, the error is identified and the student is informed that the CRIJ 1310 is not equivalent to CRIJ 3310. This is due in part to the UTB-TSC credit for CRIJ 1310 for UTRGV 3310 being equated. A request to allow the STC CRIJ 1310 to be used to fulfill requirements for CRIJ 3310 for spring 2019 and summer 2019 graduates has been submitted. The application of a CRIJ 1310 to the major requirements for STC transfer students will result in a reduction of advanced credit hours in the major and overall. The current request is to waive 3 advanced hours in the major and 3 advanced hours overall. Reducing the 3 advanced hours does not reduce the number of advanced credit hours below 42, the institutional minimum.
