Dear Emily Jackson,

I am writing to express my strong interest in joining Gentle Graphics as a graphic designer. As a passionate and creative graphic design student, I am excited about the opportunity to contribute my skills and enthusiasm to your team.

My academic background in graphic design, coupled with hands-on experience through internships and freelance work, has equipped me with a diverse skill set. I have a deep understanding of design principles, proficiency in industry-standard software, and a keen eye for detail.

I am particularly drawn to Gentle Graphics because of your commitment to innovation, creativity, and delivering high-quality design solutions to clients. I am confident that my ability to think creatively, work collaboratively, and meet deadlines would make me a valuable asset to your team.

Attached is my resume, which provides a comprehensive overview of my skills, experiences, and projects.

Thank you for considering my application. I would welcome the opportunity to discuss how my skills and passion for design align with Gentle Graphics' goals. Please feel free to contact me at (956)222-8926 or via email at penabrian0222@yahoo.com.

Sincerely,

Brian Pena
