About

Art has served as a creative outlet to express the creativity within my introverted perspective. I take inspiration from Japanese influences such as manga to create drawings. I look to improve my illustrative skills which is fueled by the desire to reach perfection with every art piece I create. I believe art can't be rushed and it needs to be given its proper time to develop.

Work Experience

Artist

(Aug. 2018 - Present)

I make digital art according to a client's specifications and work with them one on one to ensure their satisfaction.

God Speed Graphic Designer Intern

(Jan. 2023 - May 2023)

As a graphic design intern for an Esports team, I have the responsibility to create graphics for the team that fits along with their existing graphics.
