Fresh out of university eager to take the next steps into the graphic design industry. I am a passionate and hardworking designer with 4 years of experience with Graphic Design. I specialize in illustration, logo designs, photography as well as UI/UX design. I am creative and able to multitask and work on several projects at once. Able to work within a schedule and am excited to develop my skills further and be able to grow within a company or organization. Fluent in both English and Spanish and always willing to adapt and listen to feedback as well as meet deadlines and expectations. My goal is to develop my skills and be able to gain knowledge and experience. I am looking to work within a team of designers to deliver and achieve design goals within a company/team.

	PSJA Memorial Early College High School - Alamo, TX

Work Experience / Volunteer Work

PSJA Memorial ECHS Fall Festival Community Service (2017-2018) (2018-2019)

Worked in a team to help provide for the customers' needs and served customers food, drinks and tickets for the festival. Learned to be able to communicate and work with my teammates to promote our sales. Helped provide customer services and manage the money for the community. Helped the team stock products and prepare food for the customers while also setting up concession stands.

PSJA MEMORIAL ECHS Library Community Service (2018-2020)

Worked as a team to be able to provide services for students/customers interested in buying our products. Helped meet students/customers' expectations and helped assist in cleaning and looking after the library after hours. Provided customer service and learned to manage cash.

UT Outreach (2018-2020)

Volunteered to help students during after school hours in preparing for college such as creating an entrance application, applying for financial aid, and encouraging preparations for SAT and ACT exams.
