ABOUT ME

I'm a graduating Graphic Design student excited to bring my education and skills to a dynamic team. With a strong drive for success, I thrive in collaborative environments. As a fast learner with excellent communication skills, I am ready to contribute to a team's success!

WORK EXPERIENCE

The University of Texas Rio Grande Valley *Student Graphic Designer*

2022 - Present

- Design content for digital and print platforms including social media content, flyers, banners, powerpoint templates, instagram filters, etc.
- Worked both individually and with a team to create designs that remain consistent with the overall established brand
- Problem solve by identifying and understanding client needs, project objectives, and target audience demographics to develop tailored design solutions
- Attended client meetings to discuss project requirements, gather feedback, and present design concepts
- Consistently met project deadlines through effective time management while prioritizing tasks to ensure timely delivery of high-quality design work
- Communicated with team members to ensure seamless collaboration, alignment on project goals, and timely resolution of design challenges throughout the design process

Freelance Graphic Design

2018 - Present

- Designed logos, full brandings, social media content, etc.
- Use Adobe Suite and Procreate to create illustrations and design work for clients
- Use Photography skills along with Adobe Photoshop and Lightroom to create and edit a series of photographs
- Met with clients in meetings to discuss project requirements, gather feedback, and present design concepts

Encore Performing Arts Studio *Piano Instuctor*

2019 - 2022

- Teach Piano to people of all ages
- Teach Music Theory and Proper Musical Techniques
- Provide Office Administrative work
- Provides one-on-one consultation with clients on student progress
