Troy Garza

Graphic Designer

Summary

Creative and detail-oriented graphic designer student with 4 years of learning experience in visual design, branding, and digital media. Adept at transforming concepts into compelling visual narratives. Proficient in Adobe Creative Cloud, typography, and layout design. Passionate about delivering innovative and effective design solutions that enhance brand identity and engagement.

Experience

Degree learned based experience with various media, including graphic design, printing techniques, and web design. Developed proficiency in industry-standard software such as Adobe Creative Cloud while exploring illustration, typography, and user experience (UX) design. Applied creative problem-solving skills to projects that integrated multiple forms of digital media for effective visual communication.

Walgreens stocker- Organized and restocked shelves to ensure products were properly displayed and easily accessible for customers. Managed inventory, checked for expired items, and assisted in unloading shipments. Maintained a clean and organized store environment while providing support to team members and occasionally assisting customers.

Apple Pharmacy clerk- Handled customer transactions efficiently at the register, provided excellent customer service, and maintained accurate cash handling. Assisted with stocking, organizing merchandise, and answering customer inquiries to ensure a smooth shopping experience. Developed strong communication and multitasking skills
