- Objective: I am a dedicated and hardworking individual with a solid understanding in Visual Arts, demonstrated through my academic achievements and hands-on experience in various tasks and assignments. My educational journey at South Texas College and currently the University of Texas Rio Grande Valley proved that I am as hard working as anyone. Additionally, my work experience as an security at Payne Arena and Global Affairs Assistant has honed my communication and teamwork skills. I am eager to leverage my bilingual proficiency and diverse skill set in a challenging environment where I can continue to contribute with the skills I have honed to my very core
