

# USEFUL TIPS TO REDUCE STORMWATER POLLUTION

1

Dispose of household hazardous waste, used auto fluids (antifreeze, oil, etc.), batteries, and oil-based paint at designated collection or recycling locations. Clean up spills promptly.

2

Use a commercial car wash or wash your car on a lawn or other pervious surface. Use biodegradable soap.

3

Sweep up yard debris (leaves and grass clippings) and compost them rather than hosing down areas or blowing them into the street.

4

Drain your pool into the sanitary sewer system where it can be treated.

5

Pick up your pet's waste and dispose of it properly, either in the toilet or trash.

To report illegal dumping, call EHSRM at (956) 665-3690 or the City of Edinburg: 388-8211, Brownsville: 546-4357
