

BLOODBORNE PATHOGENS ONLINE TRAINING INSTRUCTIONS

The department of Environmental Health, Safety and Risk Management provides **Bloodborne Pathogens Training** online through UT System's Learning Management System (LMS) - Safety Skills: Work Smarter.

Instructions to complete the UTRGV Bloodborne Pathogens Training:

1. Log on to UT System's LMS with your UTRGV email and password: [LMS - Sign In \(inclassnow.com\)](#)
2. You may be prompted to reset your password if this is your first time accessing the LMS.
3. Click on the My Trainings tab.
4. Complete the Bloodborne Pathogens training.
5. A certificate will be generated for you within the LMS upon completion.

For more information on the UTRGV's Biological Safety Program, please visit the following UTRGV website: <https://www.utrgv.edu/ehsrp/programs/lab-safety/biological-safety-program/index.htm>

Note: Do not use a cell phone or tablet to complete this online training. Make sure you have a secure internet connection when viewing the material. Ensure that your browser (Google Chrome, Firefox, etc.) is the latest version and that your browser history has been recently cleared. Disable popup blockers.
