X-RAY RADIATION SAFETY
ONLINE TRAINING INSTRUCTIONS

The department of Environmental Health, Safety and Risk Management (EHSRM) provides X-Ray Radiation Safety Training online through Blackboard.

Instructions to complete the UTRGV X-Ray Radiation Safety Training:

1. Log on to myUTRGV.
2. Click on the Blackboard icon.
   a. If the EHSRM link does not appear, follow instructions below on “How to Self-Enroll”.
4. Click on “X-Ray Radiation Safety Training”.
5. View the presentation entitled “X-Ray Radiation Safety Presentation”.
6. Take the corresponding X-Ray Safety Quiz until you have earned an 80% or better.

Note: Do not use a cell phone or tablet to complete this online training. Make sure you have a secure internet connection when viewing the material. Ensure that your browser (Google Chrome, Firefox, etc.) is the latest version and that your browser history has been recently cleared.

How to Self-Enroll

1. Locate the Organization Search Box on your Blackboard homepage (right-hand side of screen).
2. Type in "Environmental" (ensure spelling is correct) and press "Go".
3. Enroll in 2019 version (hover mouse cursor over EHSRM 2019 to see drop down arrow and click on the drop down arrow and then click enroll) and then press the "submit" button.
