EMPLOYEE ENRICHMENT MONTHLY SPOTLIGHTS

Certification Preparation Resources

The Office of Human Resources is happy to announce professional development for certification preparation available via online at a self-paced format for employees.

- (ISC)2
- AWS
- American Society For Quality (ASQ)
- Cisco
- CompTIA
- Digital Marketing Institute
- EC-Council
- Google
- Human Resources Certification Institute (HRCI)
- Information Systems Audit and Control Association (ISACA)
- International Institute of Business Analysis (IIBA)
- Isograd
- Kubernetes
- Microsoft
- Microsoft Office
- Oracle
- Project Management Institute (PMI)®
- Red Hat
- SAS
- VMware
- International Software Testing Qualification Board (ISTQB)

Each certification preparation resource has various subjects, channels, courses, leader camps, and bootcamps to explore. Most courses include the option of receiving a digital badge upon completion.

To access certificate resources, select library tab on top left of E- Learn homepage.

Digital Badges are visual, sharable, and verifiable records of accomplishment, enabling learners to showcase their achievements.
