If this request form is being submitted to obtain access to federally-protected student data as defined by the U.S. Department of Education under the Family Educational Rights and Privacy Act (FERPA) of 1974, it is with the understanding that both the immediate supervisor and employee gaining access fully recognize that only data pertinent to the employee's scope of responsibilities is to be utilized, and abuse of this access is considered a violation of FERPA. Under no circumstances is protected student data to be shared or discussed with individuals who do not have a documented legitimate educational interest in the student data being accessed.

### EULA Agreement

EULA Agreement approval is now via EMAIL

Submit

**Step 6:** Click on Request button to submit.

**Step 7:** Check your email and approve your access request as well as following up with your supervisor to approve request.

**Step 8:** Wait for workflow approvals to be completed.

**Step 9:** If your ticket is approved, you will receive email that access has been approved! If your ticket is not approved, you will receive an email indicating your request was rejected. You will need to click on the link and see the comments added to the ticket to see why it was rejected. In some instances, the justification was insufficient.

**Step 10:** Log in and you may now review student information.

*Note: Justification is needed in the body of each ticket request. Educational interest must be determined and is based on employee's job description. Other restrictions may apply. Roles determined by Data owners and system admin.*
