REQUEST FOR BLANKET WAIVER OF UNDERGRADUATE GRADUATION REQUIREMENT

REQUIREMENT TO BE WAIVED

Waive the 2.5 GPA in the health education minor for BS kinesiology (non-certified) students graduating under the of degree requirements of UTPA 2011-2013 Catalog

JUSTIFICATION FOR THE WAIVER REQUEST

A GPA of 2.5 was not intended for this program of study. Due to lack of clarity in catalog and curriculum archives, DegreeWorks has been programmed to accept only a 2.5 GPA. This waiver will allow students meeting the institutionally required GPA of 2.0 in the minor to graduate before the degree plan expires.
