That is so great! Maybe Dr. Charlton wants to include ENGL 2333 as well in there because prior to Fall 2012 they had the option to meet category 040 with either ENGL 2332 or 2333. Usually 2332 was offered more often than 2333 but I know we will have students with this course too. In fact, gen ed core 2012 to 2014 required ENGL 2341 because both ENGL 2332 and 2333 consolidated into this course so I think the approval should be for any student with degree plan 2012 to 2014.

Hi Everyone,

I know this is one of those classes for UTB students on the 14-15 degree plan that we were going to ask for subs. Here is Dr. Charlton's approval for a blanket waiver for ENGL 2332 for ENGL 2341.

Thanks,
Deby

You can have a blanket waiver to apply 2332 to the area (it's not really an appropriate course to course substitution). I'm assuming students had taken the lit course BEFORE 2014? If so, the rationale is that when students took the course, it was part of the core curriculum at the institution. If they just took the wrong one
